SUMMARY

I am Aleksandar, a passionate UI/UX designer driven by a deep love for crafting exceptional digital experiences. With a keen eye for detail and a penchant for clean, intuitive design, I specialize in creating interfaces that seamlessly combine aesthetics with user experience. My journey into design began with HTML and CSS, where I honed my skills in bringing concepts to life. I take pride in my ability to collaborate effectively with developers to ensure the seamless execution of designs, translating vision into tangible digital solutions.
